Welcome!

Bienvenue, Willkomen, Benviando, Bel - vindo!

Just to be multi-cultural! ^_^

Here is the place for the Johnny Depps of tomorrow, for the Catherine Zeta Jones's and the Matt Lucas's and all the actors and actresses in between!

Here we judge you on teh size of your talent, not your...Ahem, shoe size.

We are here to share and despair everything to do with the great performing arts that have made our society so culturally aware.

Got a performance coming up?

Maybe you're in a Theatre group who has a show? Or a dance recital?

Here's the place for you.

Got a problem with Brecht?

Or Artaud, or good ole Stanislavski?

We can help with that'un too.

Or even if you just wanna find other like-minded people who share the same passion for the stage you do...

So, the house lights are down, back goes the curtains, step up and enter...

...Welcome to the Performing Arts.
