...a website that creates one source of information that showcases events, gigs and career information for the arts in Bournemouth & Poole.

It's a resource for visual art, music, writing, sports, media and performance.

Hubalicious is a website created by young people aged 14-17.

So: Hubalicious is a website designed by young people, for young people. BROADCASTING INFORMATION TO THE YOUNGER GENERATION!

We're all busy at work on it now, and it's been updated all the time ...

We're packing it full of arts based jobs, competitions, events, clubs, video showcases, music and much more!
